PROJECT REPORT

1.INTRODUCTION TO THE PROJECT

This project is about online real estate business.

This project is divided into five parts – index, contact, disclaimer, gallery, membership.

2.OVERVIEW

The project 'Vihar Valley' is a real estate related website made using HTML and CSS for clients to get to know about what the company is about and their services.

3.GOALS

- Landing page for the real estate company.
- Get to know information about the 'Vihar Valley' company on the home page.
- To get to know about membership schemes and benefits provided by the company.
- Gallery view of some of the properties comes under the company.
- Contact form for clients to make enquiry if any.

4.SPECIFICATION

- On every page there will be a logo, navbar and footer for easy navigation of the pages.
- In home added 'Who we are' section which contains the

information about the company and make an enquire button is also added.

● There will be a gallery page where all the property photos are showcased.

● The membership page will give the information about the membership plans and the corresponding benefits.

● In the contact us page people can send feedback or queries if any.
